## SUMMER 2014 PREPARATION CHECKLIST

**PREPARING FOR CAMP IS MORE FUN TOGETHER!** We encourage parents and campers to do all preparations together!. This includes filling out the camper forms, talking about all the great things campers can experience, and packing just before camp.

Use the following check list to make sure that you are ready for camp!

- Complete all forms and return to GBC**  
It's very important to provide as much information as possible on the Camper Information Forms so that we can provide the best experience possible!
  
- Review the packing list & read info provided**  
Many questions can probably be answered by reading the info provided by GBC. The packing list also has some great tips on packing for camp! We recommend following the list and **packing together** so campers know where to find everything in their bags. It's a good idea to take a copy of the packing list to camp so that campers can use it at the end of the session to make sure they are bringing everything home.
  
- Plan your communication**  
Discuss how you will keep in touch while at camp. Mail is distributed each day that has Canada Post delivery, and campers may receive up to two email messages per week. Campers respond by mail, not email. Packages are fun to receive, please don't send food and candy, it will be removed and kept in the office until the session is finished. There is only one phone line at camp so it is not practical to have campers use the phone. Please leave all cell phones at home. Camp is a place to disconnect and enjoy activities outside!
  
- New camper preparation**  
If you are a new camper, check out the "New Camper Preparation" sheet provided on our website. There are lots of great tips for both campers and parents!
  
- Label everything!**  
It is extremely important to label EVERYTHING you bring to camp, including clothes, shoes, water bottle and camera! You can order fun, durable name labels from Mabel's Labels at [www.glenbernard.mabelslabels.com](http://www.glenbernard.mabelslabels.com)
  
- GET EXCITED!!**  
We're planning a great summer and can't wait for you to arrive!!
